BECOME A FRIEND OF SCOUTING 2013

BOY SCOUTS OF AMERICA®
CASCADE PACIFIC COUNCIL

Everyone who knows

a Scout has witnessed the values that Scouting instills, yet the 33,000 Scouts in our community represent only 12% of our youth. It's time to grow.

Funding is essential to increase Scouting's impact. Every dollar of

your donation stays local

and extends Scouting to more young people here in northwest Oregon and southwest Washington.

"The Friends of Scouting campaign is the central fundraising activity of Scouting. Please join me in supporting this great cause of developing kids!"

Jake Nichol
CEO, Leatherman Tool Group
Volunteer Board Chair, Cascade Pacific Council
