Medical forms/ Medications/ Emergency information

Medical forms are needed for all youth and adults at camp and are readily available at the Volunteer Service Centers, as well as on the council website at www.cpbsa.org/medicalform.

Every precaution is taken to ensure a healthy and safe camping experience for all campers attending Cascade Pacific Council summer camp. All camps operate a well equipped health lodge that is administered by a qualified camp health officer for any accidents or medical problems that may arise. In the event of a medical emergency. Special arrangements have been made with local hospitals for the treatment of more serious cases. If such treatment is required, every effort will be made to help the unit leader notify the camper's parents.

In the unlikely event of a very serious injury or illness requiring immediate specialized medical attention, the care of your youth will be turned over to the local emergency medical service that may require the use of ground or air ambulance service at their discretion.

Youth or leaders needing additional medical attention on or off property will be billed (by medical office or hospital) for services rendered at their expense. All expenses associated with this additional treatment become the responsibility of the youth's parent or guardian, preferably handled through their personal health insurance or supplemental unit accident insurance. All medical services provided by the camp health officer are at no cost.

Camp Dens

Please remember that we have designed the program so that the boys will have the maximum amount of fun and learning while at camp. With that in mind, we will split up the Cub Scouts and We-

belos Scouts to insure that all youth are participating in age appropriate activates.

Camp Activities

Boys can compete against themselves as they run the obstacle course, shoot BB guns and learn archery skills. They will work together as a den to enhance their SUPERHERO abilities. Parents are encouraged to join their boys in these adventures. Please contact Andrea Croskey at andore414@msn.com for volunteering opportunities.

Trading Post

There will be a trading post at camp. Most items will range from $.05 to $3. There will also be some items, such as rank books, camp shirts, hats, and pocket knives that will be higher priced. Scouts MUST have an adult with them to purchase pocket knives and the knife must be kept by the adult until they leave camp for the day.
