Ft. Vancouver District: Flow Chart for processing the Eagle Scout Application and Service Project Workbook

Upon reaching the Life Rank, obtain the Eagle packet from the Council Service Center or download the forms from www.cpcbsa.org. Only the official project workbook may be used (no substitutions).

↓

Meet with your Eagle Mentor from your unit. The Mentor will assist you through the Eagle process.

↓

Select your Eagle Service Project. It must serve the community, government, church or a non-profit organization. It may not serve BSA.

↓

Before beginning your Eagle Service Project secure all required approvals. Your project may not start until the project has been signature approved by the Ft. Vancouver District.

Complete your service project as approved and obtain project completion signatures from your unit and your benefiting organization before your 18th birthday.

↓

Turn your completed project workbook and Eagle Scout application into the Ft. Vancouver District.

After the Council has validated your application and any noted discrepancies are corrected, the District Eagle Board Chairman will schedule your BOR.

FOLLOW ALL WRITTEN INSTRUCTIONS INCLUDED IN THE EAGLE SCOUT SERVICE PROJECT WORKBOOK.

Contact one of these people for District approval of your project.
