Annual Counselor Renewal Process

Every year, the district must audit its counselor list. When this takes place, each unit will receive specific instructions on how to complete this process. In the event that a pack or counselor fails to complete this process by the deadline (typically June 30th of each year), they will be dropped from the approved counselor list. **If a unit or a counselor missed the deadline to renew, they must complete this form in its entirety, as a new merit badge counselor, with required paperwork.**
