NAACS 2017

NAACS (Native American Arts Ceremonies Seminar) is the Lodge's premier event for learning more about Native American culture and traditions. Come and expand your knowledge on ceremonies, whether you are just starting out or are a seasoned veteran. Learn how to create your very own regalia and learn about different styles of costuming, as well as participate in arts and crafts. Attend hands-on classes on Saturday with workshops such as beading, drum-making, costuming, feather-making, ceremonies, dancing, and much more. Then, on Saturday night, participate in a Potlatch and learn more about pow-wow drumming and dancing, as well as enjoy an excellent dinner. There will also be a Brotherhood ceremony Saturday night for those eligible to achieve the Brotherhood Honor.
