

**Boy Scouts
of America**

2007 GUY MILLER TREE PLANT RESERVATION

This reservation request must be returned to the Portland Boy Scout Volunteer Service Center **no later than November 13th to be eligible for the lottery drawing**. Reservations may be submitted at the ReTree booth at GirlFest on September 30th or at the Cub Scout Pow Wow on November 11th). Reservations received after the lottery will be assigned to tree plants as long as there are plantings still available.

Our unit would like to participate in tree plants as follows:

We understand that we are responsible for the transportation of our youth to and from the plant site and for providing a minimum of three (3) adult leaders, who will actively provide supervision during the plant, for each 10 youth.

Pack # _____ Troop # _____ BS District _____

Cub Scout and Boy Scouts Only:

Unit Accident Insurance: _____ Policy No.: _____

Insurance is a requirement for participation in this activity (Girl Scouts are automatically covered). If your unit does not carry insurance and you do not have personal insurance, you will be required to purchase it from the council office for a fee of \$2.00 per person. A list of participants must accompany payment.

Show the Tree Plant video. (This is required if you wish a ribbon). To pick up the video, please stop by the Boy Scout Volunteer service desk located in the Portland and Salem service centers. A \$25.00 refundable deposit is required.

Boy/Cub Scouts:

- A **segment** may be purchased from the Nor'West Scout Shop for all Boy Scouts & Cub Scouts who participate in a tree plant.
- A Tree Plant qualifies as a Good Turn for America project. A Good Turn for America segment may be purchased from the Nor'West Scout Shop.

Girl Scouts:

- A **participation patch** may be purchased from the Girl Scout Store for all Girl Scouts who participate in a tree plant.

All Units:

- One **ReTree Certificate** will be given to each participating unit.
- One **Guy Miller Tree Plant ribbon** will be given to each unit that meets the requirement of viewing the video and participating in a tree plant project.
