A CHARTERED ORGANIZATION

The chartered organization selects one of its members to register as chartered organization representative who may also serve as chair or as unit committee member if needed. All units must have a unit leader and a minimum of five paid youth. There must be at least three committee members, with one named chair. Packs must have a den leader/Webelos den leader/Tiger leader who should be registered as an adult in the pack. The chartered organization also provides meeting facilities for the unit. No one may register in more than one position in the same unit, except the chartered organization representative.

Unit Liability Insurance Fee. Units are required to pay an annual unit liability insurance fee of \$40. This fee must be submitted with the unit's charter application and will help defray the expenses for the general liability insurance program. These fees will raise approximately 25 percent of the funds required to maintain insurance coverage for all chartered organizations, leaders, and ScoutParent unit coordinators.

Chartered Organization Certification. The executive officer of the chartered organization, by signature, certifies that the organization approves the charter application. The executive officer also certifies that the organization has approved all registering unit adults. The responsibility for approval of unit adults can also be given to the chartered organization representative. The chartered organization certifies that all registered adults: agree to abide by the Scout Oath and the Scout Law, the Declaration of Religious Principle, the policy of nondiscrimination, and the Charter and Bylaws and the Rules and Regulations of the Boy Scouts of America; agree to respect and obey the laws of the United States of America, and to meet age requirements as follows:

7. The Boy Scouts of America requires that all chartered organizations, adult leaders, adult program participants, and youth members subscribe to the Declaration of Religious Principle, or "duty to God," as set forth in the Bylaws of the Boy Scouts of America as follows.

Clause 1. The Boy Scouts of America maintains that no member can grow into the best kind of citizen without recognizing an obligation to God. In the first part of the Scout Oath the

member declares, "On my honor I will do my best to do my duty to God and my country and to obey the Scout Law." The recognition of God as the ruling and leading power in the universe and the grateful acknowledgment of His favors and blessings are necessary to the best type of citizenship and are wholesome precepts in the education of the growing members. No matter what the religious faith of the members may be, this fundamental need of good citizenship should be kept before them. The Boy Scouts of America, therefore, recognizes the religious element in the training of the member, but it is absolutely nonsectarian in its attitude toward that religious training. Its policy is that the home and the organization or group with which the member is connected shall give definite attention to religious life.

Clause 2. The activities of the members of the Boy Scouts of America shall be carried on under conditions which show respect to the convictions of others in matters of custom and religion, as required by the twelfth point of the

Scout Law, reading, "Reverent. A Scout is reverent toward God. He is faithful in his religious duties. He respects the beliefs of others."

Does your organization accept and agree to abide by the Declaration of Religious Principle, or duty to God?
