NYLT ELIGIBILITY REQUIREMENTS

Remember that NYLT is a Leadership course not an outdoor skills course or summer camp. Participants need to be comfortable camping and cooking in the outdoors for a week. It is expected that a participant will have a reasonable understanding of the skills required for Scouting in the outdoors including tent camping, outdoor cooking, and proper preparation for outdoor climate. In addition, to attend an NYLT course, a youth must have the following qualifications by the beginning of the course:

- Must be a registered member of a Scouting unit.
- Must have a current BSA Health and Medical Record form parts A, B, and C.
- Scouts must be 13 years of age and fall within the maximum age allowance for their program registration. They must be a first class Scout and have completed introduction to Leadership Skills for Troops.
- Venturers and Sea Scouts must be at least 14, or 13 and have completed eighth grade, and fall within the maximum age allowance for their program. They must have completed Introduction to Leadership Skills for Crews or Ships. It is recommended that they have had at least one year of camping experience.
- Have a unit leader recommendation. Unit leaders are asked to complete a survey on the participant’s Scout character and Scout skills so the NYLT staff can better prepare for the course.

WHAT TO EXPECT AT NYLT

National Youth Leadership Training (NYLT) is a challenging and rewarding six-day learning experience. Leadership skills are taught in a troop setting as a framework to make learning fun and allow immediate application of the leadership principles.

Participants from different units are grouped into small teams called patrols, to make new friends, exchange ideas, and travel through the stages of team-building together. Teamwork is reinforced by cooking meals, actively competing through games and working together as patrols throughout the experience.

As a participant, it is an honor to be selected by your troop, crew, ship or post to represent them and to interact with other top leaders. Our participants remark from year to year how glad they were that they attended, how much they learned, the fun they had, and that they would highly recommend the course to others.
