

Dutch Oven Cooking Clinic

Learn the fine art of Dutch oven cuisine!

Presented by Cascade Pacific Council at Butte Creek Scout Ranch

BOY SCOUTS OF AMERICA®
CASCADE PACIFIC COUNCIL

Dutch oven cooking is a time-honored outdoor tradition, heralding back to the 1600's, which gained a stronghold in early American culinary traditions at its very beginnings in the American Colonies.

Scouting also has Dutch oven traditions, with cobbler being standard fare on many Scouting campouts. These versatile cooking tools can cook much more than cobbler, however. Dutch ovens are excellent for cooking stews, breads, chilis, pizza, cakes, and many other treats.

Join us for an exploration of Dutch oven cooking tips, techniques and samples. Several Dutch oven masters will be on hand to share their tricks and answer your questions, and you'll leave with a Dutch oven cookbook of proven, tasty menus.

Snacks and samples will be served all day, concluding with a Dutch oven dinner around 4:00pm, and dismissal by 6:00pm.

Bring a notepad to take notes, and cash or checkbook if you wish to purchase any of several cooking tools and gadgets that the staff will demonstrate.
