Scout Funding Assistance Request Procedure
Calapooia District, Cascade Pacific Council

Funding will be awarded on a first come, first served basis, with priority being given to those who show the greatest need and that have not received an award in the current calendar year. Please keep in mind that funding is limited. Completion of this form in its entirety will help us gather data on the populations we are reaching in scouting, and give us more information when we go to the United Way or other organizations each year to apply/reapply for funding.

1. The first step when applying for assistance for CAMP is to visit: https://www.cpcbsa.org/campdownloads to print and complete the Opportunity Fund application through the Cascade Pacific Council. This must be completed and submitted first.

2. Next, complete the Scout Funding Assistance Request form for the Calapooia District and submit to calapooiadistrictfunding@gmail.com. PAPER COPIES HANDED TO ANYONE WILL NOT BE CONSIDERED SUBMITTED. The application can be found on the district website. You can also send us an email at the above address to request the form if you need it.

3. Applications will be reviewed by the district Key 3 (District Executive, District Chair, and District Commissioner) and once a determination for eligibility from the council level is handed down (for camp assistance only), the Key 3 will determine the district award amount. They will then notify the parent/guardian of the award amounts and let them know if there is any portion they would be responsible for in regard to that request.

4. Applications will be reviewed within 30 days of electronic submittal. (Summer camperships may take longer to approve depending on when Council makes decisions on council camperships.)
